Grand Knights Report Who is looking forward to Spring and a period of green lawns, green trees, and seasonal rebirth? I know I am. Last month I compared February to the poet Rudyard Kipling as underrated and not getting its due. While I'm not sure whom to compare March to, I am happy to report the continual work of rebirth continues at OLPH!

As proof of the latest chapter of our rebirth, I offer the following: we had a degree in our room at OLPH on Tuesday February 28 at 8 PM and welcomed in three new members from the parish: Ron Miller, Jim Zawodny, and Kevin Kosinski. Each of these men and their families are from the OLPH parish and are our first recruits since making the move back to OLPH. We welcome them all and are excited for them to get to know us and the benefits of membership!

Our big project for the next few months is the Super Cash Bonanza ticket drive. As you know, the Super Cash Bonanza ticket drive is THE major fundraiser for every council as well as the state council. Think of all of the charitable initiatives we undertake every year: pro-life activities including funding of ultrasound machines, Catholic school scholarships, activities to support parish youth groups in parish and mission activities, clothing and food assistance during the holidays, as well as a multitude of other activities. The Super Cash Bonanza ticket drive makes all these things possible, while offering a chance for each ticket buyer to win cash prizes. As in past years we have mailed a few tickets to each member and ask you to purchase a few or sell them to friends and family. If you would like more tickets, feel free to contact any officer at their number listed on the first page of the Lookout and we will be more than happy to get you as many as you need.

Other than to wish you a great month of March, that is all I have for you right now. Let's keep in mind the words from the Holy Mass and initiative of our worthy State Deputy Robert Collins, Through Him, With Him, In Him, and trust our Lord with our whole lives.

Fraternally,

Doug Jones, Grand Knight

New Meeting Room at OLPH Most members know that we have been relocating from our facility at Airport and Andora. For some time now we have occupied Meeting Room #3 at OLPH. Several meetings and one First Degree have been held there. Room #3 can be accessed in the evening via the hallway door to the right of the gym door around to the south side parking lot. A few officers have a fob (key) to open; others need to push the button and wait until a member in the meeting room answers and opens the lock. We will have a Guard tend the door just before meetings. Since this entrance can be used to enter the school building, it cannot be used during the day. Access is possible through the main side door entrance along the Anthony Wayne Trail, after buzzing the office.

Meeting Time Change As the days grow longer and the possibility for ice and snow diminishes, we will move our officer and business meeting times back to 8 PM beginning with the office meeting of Tuesday April 4.

Applebee's Pro-Life Breakfast On March 25, 2017, the Toledo Chapter of the Knights of Columbus will be holding a pro-life breakfast at Applebee's on Dussel Drive in Maumee. The cost is only \$7 of which \$4 goes to the Toledo Chapter for their pro-life activities.

OLPH - K of C Members: A Special Message Just a few words to all the K of C members (and former members) we have at OLPH who have not been active in your council for the many years we have operated from a Council hall at either Byrne Road or Airport Highway. We are back at your own (our) parish now, and we would be honored if you would stop by one of our meetings to see what's going on. Many things have changed over the years, but our core values as Knights serving our Church, Community and Family have not! Active Knights not only have fun doing good, but usually become better family men and better parishioners! Sound good? We meet in room #3 on the 1st and 3rd Tuesdays. Enter the door on the south side to the right of the gym door. See you soon!

Lookout Editor: Change and Opportunity Our Editor of *the Lookout*, the newsletter you are now reading, will retire from the position as soon as a replacement can be found and indoctrinated. Jim Collins has served admirably for more than 10 years, and we are very grateful for his service to all of us. Jim served as a writer, editor and printer. More than once our newsletter *the Lookout* has been labeled as a first-rate publication in the state! Jim also maintained our Web site.

Communication with our membership is a must. Whether or not we continue with a publication, in the same format, will be decided by our new editor and the officers. Going forward, the Grand Knight and activity chairmen will be responsible for submitting articles and factual information for the editor to use in drafting each publication. Other members may be called to print, stamp and collate the mailing, which will reduce the editor's time commitment.

The editor should have the computer skills necessary to organize and type the bulletin, and to oversee final editing before submitting to print. Those interested should contact GK Jones or one of the Trustees, as listed on the front page of this issue.
